PROFESSIONAL SUMMARY

Information Technology undergraduate with hands-on experience in web development, software development, and system administration through academic projects and internships. Skilled in Python, React.js, Django, JavaScript, and PostgreSQL, with a passion for building scalable web applications and continuously learning modern technologies.

EDUCATION

Cochin University of Science and Technology

2024-2028

Bachelor of Technology in Information Technology

Kerala, India

SKILLS

Python • JavaScript • React.js • Django • HTML5 • CSS3 • PostgreSQL • Git • REST APIs

PROJECTS

1. MM Image Vault

Tech Stack: Django, Python, HTML, CSS, JavaScript, SQLite

- Developed a web application to upload, convert, and download images in multiple formats.
- Implemented secure file upload, format conversion, and automatic file expiration.
- Designed a responsive user interface and integrated backend file management using Django.

2. QuickSlot – Smart Parking Reservation System

Tech Stack: REACT, PostgreSQL, CSS

- Built a smart parking reservation platform with slot booking and availability management.
- Implemented user authentication, booking history, and QR-based digital ticket generation.
- Designed a responsive interface with real-time parking slot updates.

3. Personal Portfolio Website

Tech Stack: HTML, CSS, JavaScript

- Developed a responsive personal portfolio website to showcase projects, skills, and achievements.
- Designed an interactive and user-friendly interface using HTML, CSS, and JavaScript.
- Deployed the website on Vercel and managed the source code using Git & GitHub.

INTERNSHIPS

Systems Intern | Malayala Manorama

June 2026

- Assisted in system administration, software installation, and network troubleshooting across organizational systems.
- Developed a Django-based web application as part of the internship project and gained hands-on experience in web development.
- Worked with system configuration, virtualization, and IT support while collaborating with the technical team.

Virtual Internship | MathWorks (MATLAB)**June 2025**

- *Completed hands-on training in MATLAB for engineering and data analysis applications.*
- *Worked on practical exercises involving numerical computing and visualization.*

Frontend Web Development Virtual Internship | CodTech IT Solutions**June 2025**

- *Developed responsive web pages using HTML, CSS, and JavaScript.*
- *Enhanced user interface design and improved cross-browser compatibility.*

CERTIFICATIONS

Systems Internship Certificate : Malayala Manorama

MATLAB Completion Certificate : MathWorks

Frontend Developer Certificate : CodTech IT Solutions

Full Stack Development Certificate : University of Helsinki
